Clients hold Kirsten Conover in the highest regard. Kirsten listed our house and helped us through a purchase involving a contingency contract in a very fluid situation. It probably required more attention than the average deal. Throughout it all, Kirsten stayed on top of details and communicated very well, anticipating problems and dealing with them in a proactive fashion. On the sales side, she offered critical advice, in terms of home presentation, and had a pretty good idea of what she could get for the sales price. In the end, it all worked out as we envisioned at the start. - Client
