ENTREPOTNEUR
SHOW

The Entrepotneur Show is a daily podcast aimed to help entrepreneurs in the cannabis industry.

The Entrepotneur Show is a cannabis industry podcast hosted by Thurlow Weed, co-owner of the first recreational cannabis club in the USA, iBAKE Denver.

Online PR News "05-December-2018" The Entrepotneur Show is positioning itself to become the next big national podcast, and the first in the Cannabis Industry. The Entrepotneur Show is a daily podcast hosted by cannabis entrepreneur Thurlow Weed, and is aimed to help future entrepreneurs and influencers in the cannabis industry understand what it takes to start a business in this heavily regulated industry.

Â

Thurlow is no stranger to the cannabis industry, he and his wife, Littletree Oppy opened iBAKE Denver the first recreational cannabis club in the United States, in February 2013, just months after Colorado legalized marijuana for adult recreational use. "iBAKE Denver was actually open for 10 1/2 months before legal recreational sales could take place," says Thurlow Weed in a 2014 NBC Nightline interview.

Â

You can catch the Entrepotneur Show daily on Apple Podcasts, Spotify, Google Podcasts, Anchor, Stitcher, Radio Public as well as a host of other podcast streaming services.
