

## [Nita Greer Promoted to Vice President of Telgian Corporate Marketing Communications](#)

*Telgian, a worldwide provider of fire, security, life safety & engineering/design services has promoted Nita Greer to VP of Corporate Marketing & Communications*

*Online PR News* â€“ 10-January-2019â€“ Telgian Holdings, Inc. recently announced the promotion of Nita Greer to Vice President of Corporate Marketing and Communications. As Vice President of Corporate Marketing and Communications, Greer will be responsible for the development and management of Telgianâ€™s corporate marketing strategies and programs worldwide.

Â

Greer joined Telgian in April of 2018 as Telgianâ€™s Director of Marketing and Communications. In that capacity, she was responsible for marketing communications programs, collateral materials creation, and trade show planning and implementation for three worldwide Telgian business units including Telgian Engineering and Consulting, Telgian Fire Safety, and Telgian Management Technologies.

Â

Greer has more than 30 years of experience in marketing communications, including strategy and planning, as well as the creation of award-winning digital and print ad campaigns, public relations, collateral and interactive projects.

Â

About Telgian Holdings, Inc.

Â

Telgian is a worldwide provider of comprehensive fire, security, life safety consulting and engineering/design services. Telgian partners with clients to produce innovative solutions that reduce exposure to loss from fire and disasters. The result is productive, profitable environments that keep businesses safe and compliant.
