Online PR News “23-January-2019” Digital Pi is pleased to announce that Jenn DiMaria and Jessica Kao, both leaders on the Digital Pi Client Services Team, were included on the recently unveiled list of 2019 Marketo Champions. Kao and DiMaria join 38 others receiving the honor, which Marketo states is bestowed to Marketo's most advanced customers who have demonstrated outstanding leadership in the Marketo Community, are Marketo Certified Experts, are avid contributors in the social world, and are loyal advocates of the Marketo brand.

Â

Jenn DiMaria, a DeSales University MBA, currently serves as Digital Pi's Senior Manager of Client Services and is now a 5x Champion. In addition to this most recent achievement, DiMaria is also a Marketo Certified Solutions Architect, as well as a member of the inaugural Marketo Fearless 500 class. Of being included in this year's class of Champions, DiMaria says "I'm so grateful to have the opportunity to be recognized as a Marketo advocate. I love being a part of the Marketing Nation and given the opportunity to work and connect with incredible people along the way."

Â

**We are delighted, but not surprised, that Jess and Jenn have again been named Marketo Champions. These two women epitomize the enthusiasm, leadership, and Marketo expertise that each member of our team strives for. We are lucky to have them as members of the Digital Pi team.**

Jessica Kao, Director of Client Services at Digital Pi, was also named a 2019 Champion. She now adds 4X Marketo Champion to an already impressive and diverse resume, which includes, among other things, 2018 Marketo Champion of the Year, a PhD in Cancer Biology, mother, and yoga instructor. "I'm honored to be a 2019 Marketo Champion. This is not the kind of thing that ever gets old. I love Marketo, I love what I do at Digital Pi, and the fact that I get to be recognized for it is just icing on the cake!"
