Carl Borden's New Album 'Morning Embrace' Set to Release March 15th.

Online PR News â€œ 09-March-2019â€œ Morning Embrace, the third album from award-winning composer Carl Borden, will be available in select stores and on all digital platforms March 15th.

Â

â€œMorning Embrace is my testimonyâ€œ , says Borden. â€œLast year when I was diagnosed with kidney failure, my world was turned upside down. Completing this album and to be able to share it with everyone is truly a blessing,â€œ he adds, â€œthrough my music, I want to encourage people to embrace every minute of life.â€œ

Â

Borden signed with Real Music in 2016. He was honored by the Global Music Awards with silver medals for Best New Age Album and Album Production for his album Echoes of Bliss. His second album, Breathe, which debuted in April 2017, spent eight weeks on the iTunes bestseller list for world music.
