

[Car Parts Shop Autoyet Announced GPS Watch Cell Phone To Keep In Step With Garmin](#)

GPS gadgets store Autoyet.com released its newest GPS products, GPS watch cell phone.

Online PR News "04-July-2011" Hong Kong, China(www.onlineprnews.com) July 4, 2011: Car parts supplier Autoyet announced today the new arrival of its GPS products, GPS watch cell phone.

Â

Recently, the world GPS manufacturing leader Garmin has announced the Montana, currently the most advanced handheld GPS device. Before this GPS device, Garmin released GPS watches. In order to keep up with Garmin, Autoyet launched GPS watch cell phones.

Â

The mission of Autoyet is to discover and offer the newest car accessories for people all over the world, if possible, we hope that off-road GPS will appear on the shelves of Autoyet one day, said Gerald Tsang, Public Relations manager of Autoyet.

Â

GPS watch cell phone is a GPS tracking watch cell phone- a wrist watch which can track the locations and also act as a cell phone.

Â

Autoyet GPS watch cell phone specifications:

Network Support: GSM900/1800/1900MHz.

Battery Capacity: 550mAh.

Earphone to call

Bluetooth headset

GPS tracking, remote control

SMS response, real-time tracking, historical data storage and track playback

Comes with SOS function and send the alarm information to three numbers at the same time. Comes with cell phone and watch function.

Â

According to Mr. Tsang, Autoyet offers free international shipping to all over the world for all the products.

Â

Like other online stores, Autoyet provides free international shipping for people all over the world, said Mr. Tsang. Whats different is that, some stores have added the shipping freight in the cost while Autoyet not.

Â

Autoyet, located in Hong Kong, is an online automotive parts and accessories supplier. With over 3500 items across 80 categories, Autoyet supplies auto parts and accessories all over the world with free shipping. All the products have gone through three standard quality control processes before shipping and a six month guarantee on all items on Autoyet.
