

[SearchXcel, A Company Providing SEO For Lawyers, Announces Two New Clients](#)

Law firm SEO Company, SearchXcel, announces it has signed two new clients for its SEO for lawyers program. The company works with customers around Florida and across the country to help improve search engine rankings.

Online PR News "05-July-2011" JACKSONVILLE, FL -- SearchXcel, an Internet marketing firm that provides search engine optimization (SEO) for lawyers, announces it has signed two new clients for its law firm SEO program. The two new clients are Fred T. Polacek Law and the Ferrell Law Firm.

Â

Each of SearchXcel's clients received a specialized marketing plan that's proven to achieve high search engine rankings for law firms. The company has 10 years of SEO experience and Fred T. Polacek Law and the Ferrell Law Firm join the company's growing list of law firm clients who are flourishing because of SearchXcel's SEO services.

Â

"We're looking forward to working with Fred Polacek at Fred T. Polacek Law and Steve Ferrell of the Ferrell Law Firm. We've got some great ideas to help these two clients gain visibility in their local markets and get their websites on the first page of Google. We've proven time and time again that these aren't empty promises and have the results to back us up," said Charles Zittin, Vice President of SearchXcel (<http://www.searchxcel.com>).

SearchXcel is a leader in Internet marketing technology and offers a full range of Internet marketing services. These include:

- Website design and development
- Search engine optimization (SEO)
- Social media marketing
- Blog development and blog writing
- SEO, web content copywriting and other web content development

Â

SearchXcel has a proven track record because the company understands the 'ins and outs' of SEO and how to create Internet marketing success for its law firm clients. The company's five step process includes an initial assessment and keyword analysis, a custom content development plan, strategic link acquisition, submission to the major search engines and other sites and finally, ranking reports so customers can see the upward movement. The ranking report is clear and contains valuable metrics so even customers who aren't SEO experts can understand how their keywords are trending.

Â

The company offers a Free SEO Consultation to all potential customers. Potential customers only need to fill out a simple form, found on the SearchXcel web site. There's no risk or obligation and the company vows to never sell or share a company's contact information.

Â

"A first page ranking on Google, Yahoo and Bing is important because many Internet searchers don't bother to look past the first few pages. We'll help you determine which search terms your prospective clients are looking for and create a targeted plan that helps you rank highly for these terms. There's a reason we're known as the best SEO in Florida or around the country. If you're looking for fast results and a solid return on your law firms SEO investment, call SearchXcel today. We promise you won't be disappointed," said Zittin.
