The Arnold Group Hires Seasoned Executive Search Professional

Online PR News â€“ 27-July-2011 â€“ WICHITA, Kan. The Arnold Group, A Human Resource Company, is pleased to welcome James C. Johnson as a Senior Executive Recruiter with responsibility for providing search and placement services to companies hiring executive and management professionals. Mr. Johnson will play a central role in all client engagements from initial requirements definition through candidate identification and placement. His mission will be to provide TAG customers and candidates with high-value, high-quality services that place an emphasis on positive hiring outcomes.

Â

"The Arnold Group is focused on delivering excellence in all we do, said Phil Hayes, VP of Operations. "James proven track record of placing highly specialized professionals in challenging positions is exactly what executive recruiting is all about. His industry knowledge and desire to provide premier customer service and personal attention will be huge assets to The Arnold Group and our clients to ensure successful executive search results. We are very excited to have James on our team.

Â

Previously, Mr. Johnson worked for major recruiting firm Management Recruiters International. Together Mr. Johnson and The Arnold Group bring clients well over three decades of executive search experience targeting Senior Executive, Healthcare, Engineering, Manufacturing, Operations, Human Resources and Accounting/Finance positions in the Midwest.

Â

###
