

[Creating a Corner Woman Mindset - Stepping Into Your Greatness - Women's Entrepreneur](#)

eMagineThat2s Creating a Corner Woman Mindset - Stepping Into Your Greatness" Women's Entrepreneur Conference will be a day of education, entertainment and empowerment.

Online PR News â€œ 09-October-2011 â€œ Event Description: eMagineThat2s Creating a Corner Woman Mindset - Stepping Into Your Greatness" Women's Entrepreneur Conference will be a day of education, entertainment and empowerment. This womens empowerment initiative is designed to enhance the lives of women by emphasize how to have faith, focus and take action on your dreams, birth your visions into greatness, have no more broken pieces to prevent you from living a fun, fabulous and financially free life and creating a corner woman mindset!

If you think about a fighter, they have a corner man in their corner that is helping them to win. Never does the corner man feel that the fighter cannot win, because he knows their strengths, their weaknesses, can see the other opponents faults...but mostly he has what it takes to help them win.

The line of speakers are able to assist in starting, sustaining as a woman entrepreneur and provide a knock-out punch approach strategy of success.

Â

WHO IS IN YOUR CORNER HELPING YOU TO WIN?

Â

We will be highlighting several success female leadership and entrepreneurs and businesswomen.
