

[Louis J. Home Remodeling Launches Website as a New York Remodeling Resource on the Internet](#)

Staten Island, New York - January 19, 2009 Louis J. Home Remodeling today announced the launch of www.louisjremodeling.com as an information portal for Staten Island area home owners and businesses to find information about remodeling projects.

Online PR News "19-January-2010" Staten Island, New York - January 19, 2009 Louis J. Home Remodeling today announced the launch of www.louisjremodeling.com as an information portal for Staten Island area home owners and businesses to find information about remodeling projects. With articles being added almost every day and an online monthly newsletter of remodeling tips, the website is anticipated to quickly become New York's primary resource for residential and commercial remodeling advice.

Â

Future plans include educational guides on selecting a remodeling contractor and professional advice from experts in the field.

Â

The web site will be an invaluable resource for New York area homeowners and businesses in finding accessible information to address their remodeling needs. Information will be efficiently categorized for easy navigation.

Â

The owner of Louis J. Home remodeling stated, Our main objective is to be the number one remodeling resource guide for assisting everyone in the Staten Island area with their remodeling needs. The depth of knowledge and resources at www.louisjremodeling.com is simple, concise and offers every homeowner some information about their home.
