

[Lab88 Unveils Remarkable Anti-Aging Diet Supplement ReversetAge](#)

Kick Aging to the Curb, ReversetAge by Lab88

Online PR News " 12-December-2011 " ReversetAge is an extraordinary anti-aging formula can help restore skins youthful sheen and healthy appearance. In addition to being rich in antioxidants, ReversetAge is specifically designed to hinder the aging process, further longevity, increase vigor, energy and stamina.

Â

ReversetAge is rich with acai berry which is known to help boost the immune system, promote weight loss, and improve digestion at the same time that it may help increase feelings of energy and stamina.

Â

In addition to acai berry, ReversetAge is replete with resveratrol, which is found in red wine and is rich in heart-healthy antioxidants, l-arginine, which is a non-essential amino acid - which is used by the body in stressful situations. ReversetAge also contains coenzyme Q10 - Co Q10, a compound similar to a vitamin that is naturally made and helps to increase stamina. ReversetAge is the swift, painless answer to slowing down times relentless march.
