Imposant LLC, a web based online survey service developer, today announced a release of a new free survey plan Starter.

Online PR News "22-December-2011" Createsurvey to release a free online survey plan

^

Moscow - December 22, 2011 - Imposant LLC, a web based online survey service developer, today announced a release of a new free survey plan Starter.

^

Starter plan is a handy online survey tool for people who are new to online survey world. Unlike other Createsurvey plans, Starter plan is free of charge and is a great self-service alternative to execute accurate and comprehensive online surveys.

^

The plan offers 5 surveys with 10 questions and 100 answers limit. Additionally, there are 25 prebuilt survey templates and 30 color themes, the plan also contains all online survey basic features. So far, it is the best options set for free survey plan in the market.

^

Apart from Starter plan Createsurvey offers plans for professional and corporate research with more features. To learn more about them and how you can use Createsurvey products to gather great ideas for your company, go to <http://www.createsurvey.com>

^

Imposant LLC was established in 2005 and has been a provider of software and services for market research and online surveys.

^

Createsurvey is a SaaS platform for web based online surveys, it provides software tools for all online survey stages, from creating a survey template to data analysis and publishing the results.
