Aquamax Sprinkler systems of Dallas TX has been awarded the prestigious 2011 Angies List Super Service

Award.

Online PR News “ 17-January-2012 ” Dallas Sprinkler system contractor Aquamax Sprinkler Systems has been awarded the prestigious 2011 Angie's List Super Service Award. This coveted award reflects how a business consistently reaches a high level of customer service. Only approximately 5% of all the businesses rated on one of the nation's leading providers of consumer reviews for local service and health providers reach such a high level.

Â

Aquamax owner Robert Maxvill said We are honoured to receive this Super Service award from Angie's List. A relatively small number of businesses achieve such an award because the criteria to receive it is so high. Only by all our employees working hard to provide the highest level of customer satisfaction have we reached this level. We are dedicated to making every one of our Dallas sprinkler customers happy with their backyard irrigation or drainage, and this award is a much appreciated thanks for this high standard.

Â

Angie's List covers a wide range of local service and health professional reviews by customers. Ratings are updated every day, but members can find the 2011 Super Service Award logo next to business names in search results on Angie's List. The Angie's List Super Service Award winners have met strict eligibility requirements including earning a minimum number of reports, an exemplary rating from their clients and abiding by Angie's List operational guidelines. The consumer review website can be found at AngiesList.com.
