Whitewash The Rapper "Undeniable" Documentary

"Undeniable" is a documentary over 5 years in the making, focusing on the internal struggle and rise of one of the most profound hip hop artist in the United States today.

Online PR News â€“ 22-February-2012 â€“ Whitewash The Rapper, is fastly becoming a household name. DJ Frank White and DJ Tainted have been quoted as saying "Whitewash is the new voice of the south".

Â

Whitewash is currently ranked #6 ReverbNation for Birmingham, Alabama and steadily climbing. He just released a popular YouTube video, which within a few short weeks is at over 20,000 views. In the song MK ULTRA he raps about government conspiracies and coverups. MK ULTRA received coverage by over 20 publications including CNN.com.

Â

Whitewash has one of the hottest mix CD's in the streets called "Welcome To Bibb County" and it already has over 10,000 downloads. Whitewash has a huge following including over 10,000 Twitter followers. His song Hurtin Feelingz ft. Gucci Mane, & Murdah Baby is also beginning to create quite a buzz widely over the

internet,college, and FM radio stations.

Â

The film "Undeniable" is scheduled to be released in the summer of 2012 on the "E" channel and other networks.The film was directed by Daniel L. Bamberg, and produced by Daniel L. Bamberg and Whitewash. Executive Producers include Charve "The Don" and Frank Coffin. "Undeniable" is being presented by Elite Harvest Films in association with Concore Entertainment.
