North Carolina Roofing Contractor Launches New Website For Homeowners About Everything Roofing

Online PR News "15-June-2009" Fife, June 15, 2009 All About Roofing Company, professional roofing contractor, today announced the launch of [Www.allaboutroofing.net](http://www.allaboutroofing.net) as an information portal for North Carolina home owners to find information about roofing and roof repair information. With articles being added almost every day and an online monthly newsletter of home remodeling tips the website is anticipated to quickly become the North Carolinas primary resource web site for roofing information.

Â

Future plans include educational guides on selecting a roofing contractor, professional advice from expert roofing contractors, and a question and answer forum for North Carolina homeowners.

Â

The web site will be an invaluable resource for North Carolina homeowners in finding accessible information to address their home roofing needs. Information will be efficiently categorized for easy navigation.

Â

Dwayne Lee, owner of All About Roofing Company stated, Our goal for the website is to be the best home and family resource guide for assisting all homeowners in North Carolina the depth of knowledge and resources [Www.allaboutroofing.net](http://www.allaboutroofing.net) offers is unparalleled.

Â

About All About Roofing Company -- Since 1980 All About Roofing Company, has been providing quality roofing systems for Greensboro/Burlington, and surrounding areas. We provide quality roofing products and first class craftsmanship. All About Roofing Company is factory trained and certified to provide good advice about products and procedures, to help educate you so you can choose what is best for your needs.

Â

We here at All About Roofing Company are dedicated, reliable, experienced, top-notch professionals providing the best roofing systems. We are a select roofing contractor, with factory credentials as a knowledge and professional roofing contractor. Only 1% of all contractors qualify for this status. That allows us to offer Integrity Roofing Systems, with extended manufacture warranties. This is the highest achievement possible for a roofing contractor.
