

[Jevon Hink Joins SIS](#)

HINK NAMED VICE PRESIDENT OF OPERATIONS AND GENERAL MANAGER

Online PR News â€“ 03-April-2012 â€“ Systems Integration Solutions, Inc. (SIS), a nationwide IT staffing solutions company, is pleased to announce that Jevon Hink has joined its team as VP of Operations and General Manager. Jevon brings over 15 years of experience in Business Development and sales management to SIS.

Â

I am excited by the opportunity in front of SIS. SIS has 22 years of rich history and experience, said Jevon Hink. With the team we are building, I expect many more years of explosive growth, exceptional service and much success.

Â

Jevon got his start in staffing with TEKSystems where he quickly rose through the ranks to the role of Director. Throughout his career, Jevon has been responsible for managing large profit centers, building new business ventures and launching major revenue-producing endeavors.

Â

Prior to his role with SIS, Inc., he worked for the IT division of Adecco Group, Modis Inc., as a Managing Director and Vice President, running one of their largest regions in North America.

Â

We are delighted to have Jevon on board. Jevon's managerial acumen, industry relationships and work standard is the bedrock from which we are building towards great success, stated Peter Ling, CEO. We are very fortunate.
