

[Dallas Gold & Silver Exchange Opens Location In Southlake, TX](#)

Dallas-based retailer with gold/jewelry buying, bullion investing, rare coins and jewelry sales services opens 6th DFW store in Southlake, Texas.

Online PR News â€“ 20-June-2012 â€“ DGSE Companies, Inc. (NYSE MKT: DGSE), which buys and sells jewelry, fine watches, diamonds, rare coins and precious metals products via traditional and internet channels announced today that is has opened a sixth Dallas-Fort Worth Metroplex location this week in the Fort Worth suburb of Southlake.

Â

Following our addition of three new stores last year, we are confident the Southlake location will further our brand equity and continue to bring market efficiencies to our operation.

The newest Dallas Gold & Silver Exchange is located in the Southlake Corners Shopping Center at 200 North Kimball Avenue at the heavily-trafficked intersection of Highway 114 and Kimball Avenue, one block north of Southlake Boulevard and half a mile east of Southlake Town Square. Convenient highway access makes the store easily reachable from a number of suburbs within 10 miles of the store, including: Lewisville, Grapevine, Flower Mound, Keller, Colleyville, Coppell and Trophy Club.

Â

As with other Metroplex locations, the Southlake Dallas Gold & Silver Exchange will feature full-service bullion trading and investment services as well as purchasing and selling fine jewelry, rare coins, scrap gold, silver, diamonds, fine watches and other valuables.

Â

"Our new location in Southlake adds significant coverage in Denton and Tarrant Counties, furthering our goal of providing North Texas with numerous locations to serve customers near their homes and where they work," stated William Oyster, President and CEO of DGSE. "Following our addition of three new stores last year, we are confident the Southlake location will further our brand equity and continue to bring market efficiencies to our operation."

Â

The Southlake location can be reached at 817-722-0075 and visitors to www.dgse.com can learn more about the store and products/services offered.
