VIP Ink Publishing Author to Host the 1st Annual 2012 Dorian Yates Classic.

Online PR News 29-July-2012 VIP Ink Publishing author Brian Dobson, founder and owner of Metroflex Gym, is the promoter of the 1st Annual 2012 Dorian Yates Classic. The event is being held this weekend August 4th at Palmer Events Center 900 Barton Springs Rd. Austin, TX 78704.

Â

VIP Ink Publishing signed Brian Dobson earlier this year for an autobiography. His autobiography will detail his life and the numerous accounts as to how God has used him to save countless people when they felt they had nowhere else to turn; as well as his discovery of eight time Mr. Olympia, Ronnie Coleman. Dobson is also trainer and mentor to Brach Warren, two time winner of the Arnold Classic Championship.

Â

Metroflex Gym is used as a ministry to help people overcome addictions and to witness the message of Jesus Christ. In 2008, Dobson started a homeless outreach ministry that feeds over 500 people each month. The meals are provided with fresh meat and fish that Dobson personally catches. Dobson's philosophy is "this is exactly what Jesus would do".
