

The Blog Singled Out The Band's Official Music Video For Their Hit-in-the-making "Stand"

Online PR News " 13-August-2012 " Chelsea Sinking is fast becoming the Alternative band to know! Having just released their debut EP last month, the internet is a buzz with talk about this richly talented Florida based band.

Â

The well established music blog, Kings of A&R have already taken note. The blog singled out the band's official music video for their hit-in-the-making "Stand." Kings of A&R describe the vocals as "explosive" and says Chelsea Sinking's original sound is reminiscent of Switchfoot, Third Eye Blind, Coldplay, Kings of Leon and Relient K.

Â

Chelsea Sinking's online fan base is expanding as well. YouTube user Yoyosfoo1 has made an unofficial music video for "Stand" which shows several long boarders impressively skating along to Chelsea Sinking's catchy tune.

Â

Chelsea Sinking's talent is undeniable and it's only a matter of time before they become a household name!
