

[Urban Skin Solutions Offers Custom Facial Treatments in Charlotte](#)

Urban Skin Solutions, the first skin and laser center specializing in the treatment and care of diverse skin tones in Charlotte, is offering custom facial treatments.

Online PR News â€“ 28-August-2012 â€“ Charlotte, NC (July 31, 2012) Urban Skin Solutions, the first skin and laser center specializing in the treatment and care of diverse skin tones in Charlotte, is offering custom facial treatments. Because these facials are customized, they can help rejuvenate, brighten, and beautify the skin regardless of its type and tone.

Â

Urban Skin Solutions facials that Charlotte customers can recommend are done by first deep cleansing and exfoliating the skin. Next, a relaxing, replenishing treatment will be performed. This will renew and nourish the skin on a cellular level. These facials help resolve various skin problems such as rosacea, ingrown hair, clogged pores, acne, premature aging, and more.

Â

Some of Urban Skin Solutions facials Charlotte customers can try are the Urban Skin Rx Custom Facial, Full Back Skin Rx Custom Facial, and Fanny Facial. They also offer Oxygenating Detox Facial, Clarifying Detox Facial, Classic European Facial, and Gentlemens Ingrown Hair Facial, and many others.

Â

Urban Skin Solutions is a medical spa Charlotte customers can rely on to perform every skin treatment with professionalism and experience. They are the first to offer customized treatment and care services for diverse skin types and tones. They combine sound clinical research with the latest technology in order to deliver effective treatments.

Â

Urban Skin Solutions also offers other skin treatments and services such as Botox, microdermabrasion, razor bump treatment, IPL/Photofacial laser treatments, skin tightening and rejuvenation, and the type of laser hair removal Charlotte clients prefer.
