

The 76th AAFT Festival of Short Digital Films will be the part of this International setup of 5th Global Film Festival Noida 2012

Online PR News " 05-November-2012 " The 76th AAFT Festival of Short Digital Films will be the part of this International setup of 5th Global Film Festival Noida 2012 informed Prof. Kalyan Sarkar Dean Asian Academy Of Film And Television on 5th the opening day of the festival at Marwah Studios Complex.

Â

More than 100 films have been received by the students of AAFT in different genre and duration. A special Audi has been marked to highlight the films which are popular with the young crowd of film makers. All the films will be available for screening on all the three days of the festival.

Â

AAFT has already created a World Record with its 75th Edition. This is the only festival in the World which happens 4 times in a year. The AAFT festival has given opportunity to 1100 new directors and cast & crew from 80 countries to showcase their debut films informed Sandeep Marwah President GFFN.
