Online PR News â€“ 30-November-2012 â€“ Bob Montgomery Honda is proud to announce that Honda Motor Company was the recipient of several Best Resale Value awards earlier this week. These winners of these awards were decided by Kelley Blue Book, one of the most trusted vehicle valuation sources, after they tested every car brand and model to see which ones retained their value best. According to KBB.com, The awards recognize automakers outstanding achievements in producing vehicles that best retain their value over the first five years (60 months) of new-vehicle ownership. Awards are presented to top vehicles in 22 vehicle categories and to the Overall Top 10 vehicles across all categories.
