Â

Cell Phone Wholesaler Ankaka Launches Stylish Bluetooth Bracelet with Time Display. There are many positive aspects to purchasing a stylish Bluetooth bracelet with time display unit. People can check who is calling simply by glancing at their wrist. Users can also get the time and how fully charge the battery is at the same time.

Â

Â

The product has a built-in microphone making it easy to answer calls instantaneously. The built in speaker also allows crystal-clear conversations and vibrant dynamic sound. Users can be 20 m away from their phone and still have a connection. This is beneficial for people who are constantly moving. The rechargeable lithium battery is easy to use and holds a charge for several hours. Individuals who do not want to seem rude or as though they are not paying attention can benefit from using this product greatly. The affordable unit is available in multiple colors and is easy to use or business people who are constantly on the go.
