Shopargan.com, the online store for selling and distribution of Essence of Argan offers its array of Argan oil hair treatment products at discounted rates.

Online PR News â€œ 02-April-2013â€œ Shopargan.com, an online endeavor by Eco Sure Ventures LTD and dealing with distribution of one of the rarest and most expensive oil, Essence of Argan, introduces its array of Argan Oil Hair Treatment products. The products embrace Argan oil, Shampoo, Conditioner and Hair Masque, all of which possess the nutritious Moroccan Argan Oil as their main ingredient. The store gives a hundred percent guarantee on the genuineness of the products and purity of Liquid Gold or oil extracted from the Argane tree native to Morocco.

Â

The various products for hair treatment endow their users with benefits galore, having the pure Argan Oil as their base ingredient. The oil is rich in Omega 3 and 9 Fatty Acids which helps treat dry scalp and strengthens each strand of hair from its very root, while the Vitamin E content of the oil is conducive to hair growth. The hair treatment products, namely shampoo, conditioner and hair masque are consequently hundred per cent organic in nature possessing all the goodness of the rich Argane oil. The website also gives instructions on using each of the products. Being organic the products can be used for all types of hair.

Â

Talking about the umpteen advantages which the range of hair treatment products from essence of Argan brings, the Director of Shopargan.com said, Now get ready to flaunt your beautiful lustrous hair with our range of Argan Oil hair treatment products.
