Graduates must make a 5 percent minimum down payment and will have the option to defer payments for the first 90 days with 60 days interest-free.

Â

The Honda Graduate Program applies to new and Certified Used Honda cars, trucks, and SUVs. To purchase a Honda there are great financing rates or to lease a Honda there are unbeatable leasing packages. Shadyside Honda has a large selection of the whole Honda line-up ready and available for a test drive or purchase.

Â

To qualify for the Honda Graduate Program, there needs to be proof of graduation within the last two years or a graduation in the next four months. There needs to be verifiable proof of employment with a start date of no more than 120 days from the finance contract date. The graduate must also have no adverse credit history.
