

[Jim Sigel Automotive of Grants Pass, OR, Reveals 2014 Chevrolet Spark EVs Latest Award](#)

Jim Sigel Automotive of Grants Pass, OR, will soon carry the 2014 Chevrolet Spark EV, the most efficient vehicle in the U.S.

Online PR News â€“ 15-May-2013â€” Chevrolet has recently announced that the all-new 2014 Spark EV has been named the most efficient retail electric vehicle in the United States. Driving an EPA estimated 82 miles when fully charged and with a 110 MGEe fuel economy rating, the 2014 Spark EV can potentially save owners up to \$9,000 in fuel cost over a five year period. Jim Sigel Automotive has the latest on Chevrolets recent recognition and expects to offer the all-new Spark EV in the near future.

Â

Being able to provide our customers with the best overall efficiency of any retail EV has always been a key target for the Spark EV engineering team, explained GM executive chief engineer for electrified vehicles, Pam Fletcher. Were poised to deliver to the market an EV thats not just efficient, but also thrilling to drive thanks to the 400 lb-ft. torque output of its electric motor.

Â

The Spark EV has continually set the standard for electric vehicles on the market. The 2014 Spark EV will be the first vehicle in the automotive world to offer a recently approved SAE combo charger for DC Fast Charging, enabling the Spark to recharge up to 80 percent in only 20 minutes. The 2014 Spark EVs 21 kWh lithium-ion battery pack offers Chevrolets industry-leading limited warranty protection in order to keep owners happy as well.

Â

The Chevrolet Spark EV is a great city car which blends technology, functionality and style in an unexpected package, stated director of Chevrolet small and electrified vehicle marketing, Cristi Landy. We built on the success of the Volt and the gas-powered Spark to offer an affordable, fun and efficient mini car our customers will love to drive.

Â

Jim Sigel Automotive expects the 2014 Chevrolet Spark EV to arrive at the Grants Pass, OR, dealership in the near future. Customers who have questions about the electric Spark or its top fuel efficiency ratings are welcome to stop by Jim Sigel today, where sales associates will be happy to answer any questions. More information on current inventory, prices, and dealership hours can be found online at www.JimSigel.com/.
