Â

From Oman to Yemen, there are hardly any geographical regions in the world that are as culturally diverse, strategically important and volatile as the Middle East and North Africa. Whos Who in the Arab World 2013-14 provides information on around 8,000 prominent Arab individuals. The publication provides with historical background information on the influential region as well as comprehensive details and analyses on each of the Arab states. Moreover this publication provides informed insights into Arab life, the Arab states, their historical roots and the various Arab cultures.

Â

Highlights of the report:

Â

Biographical Section

This section sets out precise biographical details on some 8,000 eminent individuals from every sphere of activity - royalty, politics, the diplomatic service, the military, administration, science, legal professions, finance, arts, education, music, medicine, literature and the world of entertainment etc.

Â

Outline of the Arab World

The third section of Whos Who in the Arab World takes a historical look at the development of the Arab World, the differences between the radical factions, Arab languages, ancient cultures and religions. A series of essays illustrates the history of the Arabian Gulf, the Early Arabs, the Rise of Islam and of the Arab Empire, as well as the Golden Age of the Arabs. It also documents the development of petroleum production.

Â

Surveys of the Arab Countries

In this section you can find details on the Arab countries in a matter of seconds. It gives you a country-by-country breakdown of the following subjects - geography, history, constitution, economy and culture, containing information on:

- Head of state and political parties
- Addresses of embassies and consulates
- Important banking/financial institutions
- Transport facilities
- Universities and libraries

- Medical institutions
- Trading organizations, and
- The media
- Cultural and tourist Centers.

Â

Index of biographies by profession and by country

Indices by country and profession supplement the biographical section. A select bibliography of secondary literature on the Middle East is also included.
