

[LiveAdmins JLT to Partner with OneCoin Foundation](#)

LiveAdmins JLT is pleased to announce it has become an affinity partner with OneCoin Foundation (OCF). LiveAdmins JLT illustrates how OCF will harness Live Chat to reach out to global audience for the purpose of contributing to various philanthropic causes.

Online PR News “05-July-2013” Dubai, U.A.E. (LIVEADMINS JLT) 03 March 2013 - LiveAdmins JLT has become an affinity partner with OneCoin Foundation. Hamza Nasir Director of Strategic Relations, LiveAdmins JLT will serve as the Vice President, Office of Technology. As the head of the strategic initiative, he will assure LiveAdmins JLT delivers 24/7 Live Chat Support so as to help website visitors understand the core objectives of OneCoin. He will also work with OCF to organize and create a socially collaborated system to help raise donations.

Â

OneCoin Foundation is a non-profit organization that is located in Dubai, U.A.E. The objective of this enterprise is to increase awareness and diminish the impoverished conditions of those living in Africa and in the Indian sub-continent. OCF will make global transformation changes through the use of social media, innovative business models and emerging technologies. The foundation seeks to eliminate the gap in the need for educational services and support which include microfinance funds, health finance and job skills training. Their projects are geared towards providing the need for medical technology, training, medical resources and medical manpower. OCF also provides sufficient and appropriate support to develop sustainable wind, biomass and solar energy options.

Â

Hamza Nasir will illustrate how LiveAdmins JLT provides customer support through Live Chat technology. Through the use of interactive solutions including Live Chat service and Live Chat software, e-businesses can meaningfully engage with website visitors in real-time. By delivering customer support directly on the website, customers can clearly learn in a one-on-one interaction about company policies and products.
