Mobius Knowledge Services successfully participated in the Internet Retailer Conference and Exhibition 2010.

Online PR News "16-June-2010" Chennai, India, June 16, 2010 - Mobius Knowledge Services successfully participated in the Internet Retailer Conference and Exhibition 2010. The conference was attended by Roger S Raman (Vice President, Ecommerce Division), Uma Shankar (Director Online Retail) and Sriharish K (Director, Business Development Online Retail Solutions).

Â

A regular attendee of the event since its first participation in 2007, Mobius showcased its prominent line of services at Booth #660. Mobius had a very successful show at the 2010 IRCE event in Los Angeles. The focus was on their Online Retail services and technology portfolio.

Â

We are very pleased with the hundreds of companies who visited us, ranging from small to Fortune-500. Visiting companies envisaged a critical role for Mobius in scaling up their sales from shopping engines, SEO Ranking and through product page and off-page content creation, said Roger S Raman (Head of Marketing & Sales Ecommerce Division).

Â

IRCE 2010 was a resounding success as it has opened up partnership collaboration avenues, which will help thousands of online merchants to benefit from cost-effective and platform-integrated price monitoring solutions.
