

[Diabetes Care Devices Market In Brazil, Russia, India & China \(BRIC\)](#)

Vision Shopsters is proud to present the latest offering on "" from its vast collection of market research and various industry business reports collections.

Online PR News " 17-June-2010" This market research report analyzes the diabetes care devices market in Brazil, Russia, India, and China (BRIC) over the period 2009-2014. The report categorizes the overall market for diabetes care devices into the submarkets for insulin pumps, self-monitoring blood glucose systems, and continuous glucose monitoring systems.

Â

The diabetes care devices market in BRIC nations was approximately \$257.55 million in 2009 and is expected to grow a CAGR of 17.24% from 2009 to 2014, driven mainly by the increasing incidence of diabetes and the corresponding rise in governmental support for diabetes care across BRIC nations. China was the largest diabetes care market in 2009 with approximately \$135.65 million, followed for Russia, India, and Brazil.
