NewBusinessTrade.com connects entrepreneurs with people or businesses that can provide services, materials, equipment, finished products, commercial space, or marketing. In return, these entrepreneurs will give partnership positions, equity, royalties or percentage of sales

Online PR News "04-November-2013" Erik Krupp, President of New Business Creator, Inc., said that many times there are two sides of a potential business transaction that are stuck in neutral or are spinning their wheels because of a lack of capital. Lets face it the banks, angel investors and venture capital firms are getting really tight with their money. The materials, the talent and the real estate is still out there. The problem is that there is a lack of capital to get business flowing. In this listing site entrepreneurs can search for persons or companies that are willing to accept a partnership position, equity, royalties or a percentage of future profits in return for their participation.

Â

In this listing site entrepreneurs can create a pitch that contains pictures, videos and narratives to show the commercial viability of their business idea. This page is also used to persuade viewers that they have the management experience to successfully carry out their business plan. A description of what they need and how it will be used to accomplish their next business milestone is included in their pitch. They also indicate what they are willing to trade in order to get someones participation. Items that can be listed for trade include; active or passive partnership positions, equity, royalties or a percentage of future profits.
