Â

Every one is aware that Rotunda-The Center for Human Reproduction ,best Surrogacy Center in India provide a high-quality low-cost alternative to patients who in their home country cannot afford the surrogacy procedure because of the high cost or long waiting lines.

Â

Think of surrogacy mumbai if you are thinking of surrogacy,Rent-a-womb,Outsourcing Surrogacy to India,surrogate mothers,surrogate mother,surrogacy mother,gestational surrogacy,ivf surrogacy,donor egg ivf,lgbt surrogacy,surrogacy law,surrogacy clinics,lgbt rights,surrogacytreatment,surrogacy laws,gay parenting,ivf egg donation,fertility egg donation,egg donation pregnancy,sperm and egg donation,egg donor babies,egg donor screening,egg donation clinics,select surrogate and egg donor,gestational surrogacy definition,gestational surrogacy compensation,gestational surrogacy statistics,gestational surrogacy

classifieds,ther are here to help you.

Â

There pregnancy rates are very high, because they can transfer more embryos in difficult patients (unlike clinics in UK,USA,Canada and Australia, where the number of embryos which can be transferred is limited by law).

Â

The most fascinating thing is that you dont have to come to India; you have to just send your sperm by The Rotunda CryoShip Global service. They find an egg donor; They get your surrogate pregnant.You just go down, pick up your baby, and go back home.

Â

Rotunda -The Center For Human Reproduction aims and offers a comprehensive range of infertility services under one roof, and we are known for our innovation, integrity, medical and technical excellence, personalized service, and consistent willingness to accept patients facing the most difficult medical challenges.
