

[CASINO KAISER RELEASES NEW MERKUR SLOTS](#)

Casino Kaiser has released two exciting new video slots from Merkur.

Online PR News " 30-January-2014" Casino Kaiser has released two exciting new video slots from Merkur. The legendary German company is yet again pushing the envelopes with a breath-taking 50-line monster slot Shiva and the ol' Civil War themed slot Cannon Thunder.

Â

SHIVA

Â

Shiva is an ancient Indian God of ambiguity and paradox. Sacrifice suitable bets and he will help you collect three Taj Mahal symbols which lead to free spins with all wild symbols keeping position, creating wins over 50 lines that will make your head spin.

Â

CANNON THUNDER

Â

Fill the chamber with gunpowder, light the fuse and fire away. Advance your artillery across the battlefield whichever way you can to come up victorious, for all is fair in love and war. Cannon Thunder is the sound of your balance blowing up through the roof!

Â

Visit Casino Kaiser and play their latest game additions from Merkur Interactive. Newly added games include 221 Baker Street, Extra Wild, Ghost Slider, and Grand Canyon. Make sure you also check the rest of their portfolio, including the next generation Sheriff slots and renowned edict table and card games, all in beautiful high definition. No download is necessary.
