Online PR News "20-February-2014" Chicago, Illinois February 18, 2014 iSkysoft will be giving away its PDF Editor and \$50 Amazon Gift Cards for the first time starting from Wednesday, February 19, 2014, to all Facebook users who 'Like their page and share it further in their circles for 5 days. iSkysoft, a multimedia software developer studio that has been creating programs for both Windows and Macintosh platforms from 2004, intends to start their first sweepstake giveaway campaign on Facebook in order to permit people from all over the world to benefit from a professional PDF Editor available for both Windows and Mac for free, and plus win a \$50 Gift Card via Amazon by simply 'liking companys Facebook page and sharing it with their friends an activity all Facebook users perform on a regular basis.

Â

The iSkysoft PDF Editor, initially priced at \$69.95 for Windows-based computers and \$49.95 for Macintosh platforms, offers a wide range of features that might help users work directly with PDF files without converting them into DOC or DOCX files. PDF Editor is a software that allows users to edit, remove and modify all elements included within a PDF file, such as images, text or other graphics, easily convert PDF files to Microsoft Word files, get full control over the pages of a PDF file (edit, remove, crop, insert, extract or delete), mark or annotate PDF files without efforts and fill out PDF forms. Currently ranked as one of the best editors available on the market, iSkysoft PDF Editor represents valuable software that can save time and effort when editing PDF files.

Â

The primary purpose of this giveaway campaign is to offer their Facebook fans a chance to win a PDF Editor that can simplify their lives at a great deal. Since its initial price might be fairly expensive for some people, this would be a great chance to avoid paying anything and getting excellent software in return. All participants have equal chances of winning says a spokesman for iSkysoft.

Â

To enter this promotion, people only have to access iSkysoft promote page on Facebook and 'Like it, then they will receive a free key code for iSkysoft PDF Editor. Furthermore, users who want to win the \$50 Amazon Gift Card have to share the campaign with their friends and determine to enter the giveaway. The top three people who get most referrals will win the \$50 Amazon Gift Card as well, aside from the iSkysoft PDF Editor.

Â

This is basically very easy for all Facebook users. They only have to 'Like iSkysoft page on Facebook, then distribute it to their friends. This should not be too difficult, but if it is, then it will be a great opportunity for people to use their creativity in order to get referrals from their friends and win the \$50 Amazon Gift Card, says the spokesman for iSkysoft.

Â

The first iSkysoft giveaway will start tomorrow, February 19, 2014 and will end on Monday, February 23, 2014. People who want to participate have to enter the campaign during this period; otherwise they will lose their chance of winning any of the gifts offered by iSkysoft. However, people can participate only once, as they will receive a single key code for iSkysoft Editor on either Macintosh platform or Windows computers.
