

[CS Odessa Announces New Building Plan Solutions for ConceptDraw PRO](#)

New addition to ConceptDraw PRO and Solution Park extends the current vector libraries with a complete solution for HVAC, Plant layouts, and Plumbing.

Online PR News â€“ 12-August-2014â€“ CS Odessa is pleased to announce a new enhancement for ConceptDraw PRO v9. CS Odessa has introduced a new set of libraries that provides a complete solution for industrial building design.

Â

The three new solutions complement each other to cover the structural and infrastructural features in any commercial building; the Plant Layout Plans Solution allows you to plan out the basic building dimensions, while the HVAC Plans Solution and Plumbing and Piping Plans Solution provide the tools necessary to plan the necessary amenities. These new additions to the ConceptDraw Solution Park are free for current users of ConceptDraw PRO v9.

Â

The new Solutions in the Building Plans Area of the ConceptDraw Solution Park include building plan collections of templates, samples, and libraries of vector stencils and icons that support building plan drawings of any complexity. ConceptDraw PRO is compatible with Apple OS X and Microsoft Windows. ConceptDraw PRO retails for \$199 USD. ConceptDraw PRO v9 is included in ConceptDraw Office v2 which retails for \$499 USD.
