

[Maine Remodeling Contractor Launches Website To Help Homeowners Learn More About Home Improvements.](#)

Dayton, ME August 26, 2009 Faulkner Building Company today announced the launch of www.faulknerbuildingco.com as an information portal for Maine home owners to find information about remodeling their homes, and home improvement tips. With articles being

Online PR News "26-August-2009" Dayton, ME August 26, 2009 Faulkner Building Company today announced the launch of www.faulknerbuildingco.com as an information portal for Maine home owners to find information about remodeling their homes, and home improvement tips. With articles being added almost every day and an online monthly newsletter of home remodeling tips the website is anticipated to quickly become Maines primary resource web site for home improvement.

Â

Future plans include educational guides on renovating your home, professional advice from local experts, and a question and answer forum for Maine area homeowners.

Â

The web site will be an invaluable resource for Maine homeowners in finding accessible information to address their home remodeling needs. Information will be efficiently categorized for easy navigation.

Â

Derek Faulkner, president of Faulkner Building Company stated, Our goal is to be the best home and family resource center and information portal for assisting all Maine homeowners with their remodeling needs. The depth of knowledge and resources at www.faulknerbuildingco.com is simple, concise and offers every homeowner some information about their home.

Â

About Faulkner Building Company # You don't have to worry about anything we will take care of it all. We do not subcontract services that we offer, like many "Contractors" do nowadays. No people working on your home, doing possibly uninsured, questionable work. Quality - You know what you are getting, just ask your neighbors! We use only high quality material throughout the entire project. Many "Contractors" install low grade products, especially when it just being covered up. Satisfaction - We Won't Leave Until You Are Completely 100% Satisfied. We maintain predictable high quality work, which keeps overhead low to save our customers money..
