

[J Metro Hits Number 21 On The Hot Single Sales Chart](#)

With the release of his new single underway, Jimmie Moore a.k.a. J Metro, has done another feat by hitting the billboard charts.

Online PR News â€“ 15-December-2014â€“ Houston, Texas, Dec 15, 2014 -- With the release of his new single underway, Jimmie Moore a.k.a. J Metro, has done another feat by hitting the billboard charts again at number 21 for the Hot Single Sales chart. Although with Billboards new update they only show the charts until number 15, sound scan has validated "Bodyguard" at number 21 of 25 spots. J Metro has continuously been making progress in his music career as he goes forward, and with his progress he continues to gain an even bigger buzz.

Â

Recently, J Metro had a release party at Hughes Hangar in Houston, TX. on November 27. As many filled the lounge, they were welcomed to the sounds of a live band and great vocalist. Giving them an intimate look into the life of J Metro and the first exclusive look at his single, he was met by on going claps and more.

Â

With the success of his record J looks to accomplish more in the near future with the release of his EP, in 2015. But, before that, he will be releasing his visuals to "Bodyguard" and a lyric video coming soon. So much is planned and in store for this artist, so we can only look forward to his achievement and accomplishments in the near future.
