

[Insurance123 Exceeds New Policy Sales Targets](#)

*Insurance 123 has exceeded sales targets for this year by being the premier insurance portal for consumers seeking to compare rates between different companies on different types of coverage, including auto, home, motorcycle, health, life, and more.*

Online PR News â€“21-August-2010â€” Mendham, NJ 21-August-2010 -- Insurance 123 is pleased to announce that they have exceeded current new policy sales targets. This includes insurance sales across all types of policies, including auto, household, motorcycle, life, health, medical, travel, and commercial.

Â

Insurance 123 is South Africa's leading insurance portal where customers can go to get a free, no obligation quote on the type of insurance they need. Quotes are prepared on an individual basis based on information provided by the consumer on the item or person to be insured and sent privately to the person's email inbox. Quotes are provided by several different insurance providers so that customers can compare rates and choose the best price for the coverage that is needed.
