*With her maiden book launch Wise Up, author Soni Shalini explains how everyone can turn their life challenges into opportunities.*

Online PR News " 17-October-2015" Wise up, No Learning Is As Big As Life Itself, is not just another self-help book, but it is a unique blend of biography and life coaching, packed with positive messages that are easy to co-relate and practical to implement.

Â

Soni Shalini belongs to a highly educated family from Bihar; she always wanted to do something creative in life. Her passion for writing and her vision to help the humanity, inspired and motivated her to write a book, that's how 'Wise Up; came into existence.

Â

In her Debut book, Soni has offered readers a glimpse into her own life and how she applies her lessons.

Â

One of the book readers, Ghazal Alvi says, "This is a fabulous book, Soni, first of all congratulations for gathering all this wisdom in just one book! I can't imagine anyone whose life will not be enriched by this book. Your book, Wise Up is a must-read for anyone who is seeking answers and guidance in his/her life. I am so glad that I came across this treasure."

Â

Wise up can also be a perfect gift choice for all those people who are seeking a valuable expert advice in their troublesome life situation, or if someone who is looking for tips to improve the quality of life.

Â

Soni says, I am extremely happy to announce the launch of my debut book Wise up, No Learning Is As Big As Life Itself. This book is all about inspiration, motivation one can seek in every walk of life. Everybody wants to live a happy and fulfilled life by living their dreams; however, many feel limited, stuck and disappointed. My book will help them to get that inspiration for converting their dreams into reality by using their thoughts in a constructive way that will unlock their inner power.
