

[Glamping Season Has Arrived at The Shawnee Inn](#)

Glamping season (glamorous camping) is a highly anticipated time of year at The Shawnee Inn and Golf Resort and it is finally here.

Online PR News â€“ 29-April-2016â€” Shawnee on Delaware, Pennsylvania - Glamping season (glamorous camping) is a highly anticipated time of year at The Shawnee Inn and Golf Resort and it is finally here. With the two new Riverside Glamping tents added to the resorts luxurious outdoor accommodations, this season is set to be especially exciting. While Glamping, guests are invited to enjoy the beautiful outdoors without all of the not so beautiful details.

Â

At Shawnee Island Glamping, guests take a 20-minute canoe trip to the resorts golf island where they stay at a 4 tent Glamping site. This is a more itinerary driven experience compared to the new Riverside Glamping site, which is walking distance from the main inn and offers a come and go as you please style in addition to a serene view of the Delaware River. Both Glampsites offer a unique and extraordinary experience.

Â

Glamping officially started on April 22, 2016 and Shawnee was booked solid for opening weekend. With a completely sold out season last year, the resort expects to be very busy again this summer. Glamping includes high speed Wi-Fi, electricity, shared men and womens restrooms with access to showers, hammocks and a communal campfire. Available for stays between April 22, 2016 Oct 23, 2016, glamping provides an experience you wont want to miss.

Â

Interested guests should book as soon as possible because these luxury tents go quick. Whether youre looking for a relaxing and glamorous stay overlooking the Delaware River or something further removed from civilization on Shawnees beautiful golf island, Glamping is definitely a unique experience to try this season.
