

[Relationship Company Launches Local Dating Service in Salt Lake, UT](#)

Recently, The Relationship Company CEO Cameron Sharpe and Member Success Head Amanda Bennett, sat down with their Salt lake Singles staff to answer some of the more frequently asked questions about the dating service and its place in the industry.

Online PR News "15-January-2009" The reception we received in Salt lake exceeded my expectations by a long shot, said a surprised Sharpe. A lot of the success has to do solely with the people we hired to run our office. They are exceptional individuals who not only take the time to listen to our clients, they take a personnel interest in their social lives as well.

Â

Recently, two members of Salt lake Singles announced their engagement. It was a thrilling moment for the Salt lake office, says Sharpe.

Â

TheRelationshipCompany.com' Salt lake member success team was instrumental in getting these two lost souls together, said Sharpe. They met at one of our social events, hit it off, and were constant companions after that. The girls were thrilled to get the phone call announcing the engagement, and were especially pleased they were singled out for their role in bringing the two together.
