

[SPEC INDIA's Brijesh Shah Gets Selected as Project Management & Agile SME](#)

SPEC INDIA has been constantly endeavoring to follow industry best practices in quality assurance and project management

Online PR News â€“ 30-May-2017â€“ SPEC INDIA has been constantly endeavoring to follow industry best practices in quality assurance and project management and make these an integral part of all processes being followed. With that motivation, the organization announces Brijesh Shah, Project Head from SPEC INDIA, being unanimously selected as Project Management and Agile Subject Matter Expert (SME) for a Project Management and Development workshop by PMI.

Â

As a SME, he shall be representing SPEC INDIA in multiple forums. Amidst stiff global competition, including SMEs from around the world Europe, Singapore, USA and more, Brijesh Shah has been selected amongst the very few SMEs from India. Recently, as a part of this achievement and being a PMI India Champion, he was invited to conduct a session on Agile during the 56th Meet PMI Mumbai Chapter at two locations.

Â

Hearty congratulations to Brijesh Shah on his major achievement and wishing him many more. Visit <https://www.spec-india.com> to delve deeper in what SPEC INDIA does and how, to become Indias leading single stop IT partner.
