Online PR News “03-January-2011” UK online casino players can now add Caribbean Draw Poker to their list of exciting Christmas traditions. This brilliant new release hosted at All Slots Casino offers the same pleasure of a tasty fruitcake or a luscious mince pie. The new poker game was released just in time for the special Christmas season. British players can treat themselves to a tropical Christmas vacation by capturing the prize money.

Â

Caribbean Draw Poker is a progressive jackpot online table game developed by Microgaming. UK online casino members play one-on-one with the casino dealer using a regular deck of 52 cards. Players follow basic draw poker rules, and take advantage of the chance to swap out two of their cards after the initial deal in hopes of gaining a better hand. The new release has excellent features such as inspiring graphics, easy gameplay and two favourable progressive jackpots.

Â

Caribbean Draw Poker Special Features

Â

One lucky player can walk can score the brilliant jackpot of 20,000 or 50 000. Caribbean Draw Poker players have the chance to win a 20,000 progressive jackpot during the regular game and 50,000 on the bonus bet if a Royal Flush is delivered. If you fancy taking home the jackpot, then betting the max on both the regular games and the super bonus game will allow you high chances of scoring one of the jackpots.

Â

UK online casino players are flocking to this 5-card draw poker game with regular payouts of up to 100-to-1.
